

# RING SIZE GUIDE

## RING SIZE CHART

Please have a ring handy that you wear on the same finger. The circles below indicate the **INSIDE** diameter of the ring. Position the ring over the circles shown below to determine which one matches your size. The circle that fits the **INSIDE** of your ring is the right one. Please state the number within the correct circle on your order. If your ring appears to be between two sizes, choose the larger size.

## PRINTING SETTINGS

To print "ring size chart" document select "File" from the menu and then "Print". A window with some options will appear. These print options are depending on your computer. It is essential that options like "Shrink oversized pages to paper size" and "expand small pages to paper size", are **NOT** ticked. On the printed page, check that it has printed correctly by measuring line below.
